MIDTEL E-Z Pay, Makes Paying E-Z!

Dear Valued Customer,

Are you tired of writing the same checks over and over again each month? MIDTEL wants to help you change this. By subscribing to our MIDTEL E-Z Pay Program, you won't have to write another check for your monthly payments.

What is MIDTEL E-Z Pay? The MIDTEL E-Z Pay Program allows you to pay your monthly MIDTEL bills from your credit card (MC, Visa, Discover, or AmEx), checking account, or savings account. When you enroll in our MIDTEL E-Z Pay Program, we will deduct the amount due on the 10th of each month, or the next business day thereafter if the 10th falls on a weekend or holiday. You will still receive your monthly billing statement, but it will be labeled "Do Not Pay. Bill Will Be Paid Automatically By Your Credit Card."

MIDTEL E-Z Pay is the most convenient, reliable, and least expensive way to pay monthly bills. You save time by not having to write checks and also save the cost of postage and checks. Furthermore, you no longer have to worry about payments getting lost in the mail or about late payment charges when you are out of town on business or vacation.

After subscribing to MIDTEL E-Z Pay, if you have any questions about your monthly bill, call us here at MIDTEL before the 10th of the billing month. As always, should you feel that there is an error, we will research and correct any errors or mistakes just as we do with check payments. Any problems will continue to be resolved promptly.

To sign up for MIDTEL E-Z Pay, or if you have any questions, simply call our Business Office at 827-5211 or e-mail us at info@midtel.com and let us know that you are interested. We will send you the necessary information to get you started.

STOP WRITING CHECKS and start using MIDTEL E-Z PAY, the easy way to pay!

Sincerely yours,
MIDTEL
