

CALL FORWARDING

Call forwarding allows you to redirect all calls to another telephone number.

What Call Forwarding does for you...

-  Reduces missed calls.
-  Calls can follow you wherever you go.
-  Eliminates waiting for important calls.
-  Enhances home security while away.

To forward calls:

1. Press , then listen for three beeps and a steady dial tone.
2. Dial telephone number to which calls will be forwarded.
3. Wait and listen for three confirmation beeps.
4. Hang up.

To cancel Call Forwarding:

1. Press , then listen for three beeps.
2. Hang up.

Note:

Calls forwarded to long distance telephone numbers will be charged to you by your long distance provider.
